GENERAL INFORMATION

WHEN YOU APPLY

Applications are entered onto our database in the order in which they are received. When a space becomes available or there is enough demand to start a new lesson, you will be sent a demand note for the lessons. The invoice will also show the name of the teacher. Once you have replied either by mail or phone, with the appropriate payment and/or be entered on the register. The waiting list is constantly monitored and we are in regular communication with teachers to keep it as short as possible.

WHEN LESSONS START

Once you're on the register you should check at the Academy for the days and times of the lessons. In the case of after-school lessons we will let you know the day and time you have been allocated.

MISSED LESSONS

If the teacher is absent or the Academy is closed, lessons will be made up. If the student is absent, teachers will attempt to make up the lesson but are not obliged to do so. If you are aware that you or your child will be absent (e.g. for an appointment, holiday or school trip or anything) please give us 3 weeks written notice to rearrange the lesson.

INSTRUMENTS

Students WILL be required to own an instrument they are learning. The Academy can guide on where to buy or hire an instrument for lessons. Please contact us for further details.

Please note that only some instruments are suitable for 5 to 6 year olds. Most instruments are suitable for 7 year olds and upwards.

MOVING ON

Once an adult or child are learning, it is important that they take an active interest, communicating with the teacher via the student's progress book, encouraging them to practice daily and, as they progress further.
